REQUEST FOR PROPOSAL (RFP) FOR GROUP HOME SERVICES

1.0 REQUIREMENTS & SPECIFICATIONS

1.1 Introduction & Purpose of the Request for Proposal

Butler (BCCS) and Hamilton (HCJFS) Counties (members of the South west Ohio Region Collaborative, aka SORC) are currently seeking proposals for the purchase of group home services for youth in custody for whom it has been determined a group home setting is appropriate. Submitting a proposal to this RFP which meets the minimum requirements of the Stage 1 review process will allow other counties in the State of Ohio the opportunity to execute group home service contracts so long as the Provider and county jointly agree to enter into a contract.

Each county reserves the right to award multiple or no contracts to meet the needs of the child welfare population for this service.

1.2 Scope of Service

The Counties are engaged in regional planning efforts to improve local capacity, safety, stability and permanency outcomes for youth and families. As part of that effort, we seek group home service providers who reinforce the value of serving youth within their community in a well coordinated system of care which is: seamless for the youth/families; culturally competent; standardized in terms of multi-disciplinary assessment; outcome driven; cost effective; and collaborative in building upon partnerships with providers and funders in sustaining quality services.

The Counties are looking for organizations to provide community-based group home services for the child welfare population of Hamilton and Butler Counties who meet level of care criteria for a continuum of this placement setting. In addition, the agencies seek service providers who are able to: increase stability for youth in placement; maintain sibling placements; reduce the length of time a youth spends in care; achieve school stability and success; engage families; and enhance reunification and permanency options and outcomes for youth. Service components within the group home environment should include an array of individual supportive services that are responsive to the unique needs of youth and families. These may include: wraparound; individual aid; birth parent coaching; and respite and crisis support to preserve placement stability and to promote reunification and permanency outcomes. Respite services targeted to kinship, adoption and birth families are available to be provided to maintain permanency efforts for youth and families.

Providers who are able to offer a range of evidenced-based services to specialized populations including, but not limited to: youth with co-existing mental illness; sexual offending disorders; chronic medical conditions; and conduct/delinquent behavior disorders are desired. Youth will be discharged with improved ability to function in school, community and family living arrangements within birth, kin and adoptive environments.

Group home services are targeted to latency age youth and adolescents who have behavioral/emotional and learning problems, need a less structured environment at present, and would benefit from treatment in a group setting. These youth cannot function in a family environment, but do not require the intensive treatment provided by a residential treatment facility. Group home providers should support youth transitioning from higher levels of care to group home settings through planning, communication with previous providers, participation in treatment teams, and ensuring implementation of treatment recommendations at time of discharge.

Group home size may range from five (5) to fourteen (14) youth and must include a ratio of not more than five (5) youth to one (1) staff during peak hours. Peak hours shall be defined as 3:00 p.m. to 11:00 p.m. on school days and 8:00 a.m. to 11:00 p.m. on non-school days. All youth who share a bedroom in placement must be within 2 years of age of each other. Exceptions must be approved by the PCSA. For youth with developmental disabilities, their developmental age should be considered in decisions such as program placement and room assignment.

In a small percentage of cases, youth will be discharged from group homes to independent living settings or adult mental health or DD systems of care. Youth ages 13 to 21 must be provided adequate life skills training and preparation for emancipation. Providers must demonstrate their ability to use community resources and supports as a part of treatment planning and in support of continuity of care with existing services, and their capacity to communicate and work collaboratively with professionals, courts, youth and the youth's family.

Organization(s) with strong behavioral management and evidence-based practices shall provide temporary, transitional out-of-home placement services predominantly for youth to step down into lower levels of care, transition into Independent Living arrangements, or to stabilize and avoid a more restrictive setting.

It is expected group homes shall have the ability to provide service at the level of care purchased without purchasing any additional supportive services, unless requested and approved by HCJFS prior to service delivery. Group homes should utilize community partnerships and resources to support program delivery.

1.2.1 Population

The following data is provided for planning purposes only. HCJFS and BCCS do not guarantee that the current service level will increase, decrease or remain the same. HCJFS placed an average of 1085 youth in custody in 2012. In the same year, an average of 71 youth were placed in a group home at any time. Of these youth, approximately 75% were male and 25% were female. Youth ranged in age from 10 to 21 years.

BCCS served an average of 368 youth in custody in 2012. 18 of these youth entered placement in certified group homes. Of these youth, 5 were age 17 (28%), 5 were age 16 (28%), 3 were age 15 (17%), 3 were age 14 (17%), 1 was age 15 (5%) and 1 was age 12(5%). 13 youth were male (72%) and 5 youth were female (28%).

In all cases in each county, these youth have a history of abuse, neglect, dependency and juvenile justice involvement. These youth require out-of-home-care placements and will have a range of custody statuses from parental custody, Emergency Orders (EO), Temporary Custody (TC), Planned Permanent Living Arrangements (PPLA), to Permanent Commitments (PC). The primary outcomes for these youth are safety, permanency, and well-being. All service Providers will incorporate these outcomes into their treatment plans and program curriculums.

Many of the youth suffer from emotional, psychological, behavioral and learning problems. Some national estimates indicate approximately 90% of youth in placement have an identifiable behavioral health issue.

These youth are also at greater risk of being placed out-of-county because local services have not been able to effectively engage families, locate alternate permanent placement options, address specific treatment needs or keep the youth safe in a lower level of care (kinship home, family or adoption).

These youth are at greater risk of being involved in the child welfare system for a longer period of time and therefore at greater risk for unstable placements and poor overall educational, social, health and poverty outcomes long-term.

Programs incorporating evidence-based logic and treatment models, and successful histories of effectively working with youth who have complex post-traumatic stress disorders, developmental disabilities, juvenile justice involvement, conduct disorders, sexual behavior disorders and other mental health and attachment difficulties are currently needed to improve local services and long-term outcomes for high-risk youth. Programs must demonstrate their ability to actively engage youth in all aspects of decision-making and planning appropriate to their age, maturity and development. Providers who are able to offer a range of evidence-based services to specialized populations including, but not limited to: youth with co-existing mental illness; sexual offending disorders; chronic medical conditions; and conduct/delinquent behavior disorders are desired.

1.2.2 Service Components

Services will be individualized and capitalize on the strengths of the youth and the family.

1. Substitute Care- Provider shall make placement based on the group home's ability to meet the needs of the child and the identified level of care as identified by the PCSA.

After-hours placement requests require a response immediately.

Provider shall obtain and keep on file copies of all required insurance documents from any subcontractor approved by BCCS/BCDJFS to provide services under this contract.

13. INDEPENDENT CONTRACTOR STATUS

Provider and BCCS/BCDJFS intend that an independent contractor relationship be created by this Agreement, and nothing herein shall be construed as creating an employer/employee relationship, partnership, joint venture, or other business group or concerted action. Provider shall pay all wages, salaries, retirement plan payments and other amounts due its employees in connection with this Agreement and Provider shall make appropriate filings with the taxing authorities to account for and make all payments required by the local, state, and federal authorities to include income tax, social security, and Medicare payments for Provider and any person(s) employed by Provider. Provider further agrees to indemnify and hold harmless BCCS/BCDJFS from any and all claims made to or by the above-mentioned taxing authorities resulting from or related to the performance of this Contract. However, if BCCS/BCDJFS determines that taxes should be withheld, BCCS/BCDJFS reserves the right to unilaterally withhold, as appropriate, and to notify Provider accordingly.

Since Provider and BCCS/BCDJFS are contracting parties independent of one another, neither has the authority to bind the other to any third person or otherwise to act in any way as the representative of the other, unless otherwise expressly agreed to in writing signed by both parties hereto. Moreover, at no time shall Provider hold itself out as an agent, subsidiary or affiliate of BCCS/BCDJFS for any purpose, including reporting to any government authority, and shall have no authority to bind BCCS/BCDJFS to any obligation.

14. BREACH OR DEFAULT OF CONTRACT; WAIVER

Upon breach or default of any of the provisions, obligations, or duties embodied in this contract, BCCS/BCDJFS may exercise any and all available administrative, contractual, equitable or legal remedies, without limitation. The waiver of any occurrence of breach or default is not a waiver of subsequent occurrences, and BCCS/BCDJFS retains the right to exercise all remedies mentioned herein.

Rev. 11/12

Any waiver by either party of any provision or condition of this Contract shall not be construed or deemed to be a waiver of any other provision or condition of this contract, nor a waiver of a subsequent breach of the same provision or condition. Provider waiver requests shall be submitted in writing to the BCCS/BCDJFS Director or his/her designee. BCCS/BCDJFS will respond to waiver requests within ten (10) business days.

In the event of repeated waiver requests both parties agree to meet, at the request of either party, to discuss a possible amendment to the terms of the contract.

15. SEVERABILITY

If any term or provision of this Contract or the application thereof to any person or circumstance shall to any extent be held invalid or unenforceable, the remainder of this Contract or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term and provision of this contract shall be valid and enforceable to the fullest extent permitted by law.

Provider shall maintain, protect and preserve in a secure and safe manner all records relating to the services provided and/or used in the administration of the program, including, but not limited to, client records, eligibility determination records, financial records, census records, and documentation of legal compliance with Ohio Administrative Code rules for a minimum of three (3) years after final payment is made under this Contract.

Such records shall be made available at all reasonable times for audit and/or review by duly authorized personnel of BCCS/BCDJFS, Board of County Commissioners of Butler County, State of Ohio (including, but not limited to, ODJFS, Auditor of the State of Ohio, Inspector General or duly appointed law enforcement officials) and agencies of the United States Government for a minimum of three (3) years after final payment is made under this contract. If an audit of any nature is initiated during this time period, Provider shall retain such records until the audit is concluded and all issues resolved.

Provider shall assure the maintenance of all records for a like period of time that are in the possession of any third party performing work related to this contract, unless otherwise directed by BCCS/BCDJFS.

Provider shall not use any information, systems or records made available to it for any purpose other than to fulfill the contractual duties specified herein without the express written consent of BCCS/BCDJFS.

18. UNIT RATES

When Exhibits 1 and/or 2 of this Contract identify the service to be provided as a purchase of services in **units of service**, or the authorization issued by BCCS/BCDJFS is to provide a specific number of units of service, it is the responsibility of Provider to determine the number of units approved and to monitor the number of allowable units of services authorized by BCCS/BCDJFS under this Contract which have been used: (1) individually and (2) collectively. If Provider offers services collectively or individually in excess of the contract limits for the units authorized by BCCS/BCDJFS for an individual client or for all clients without prior approval by BCCS/BCDJFS, Provider shall bear the cost of the services provided.

If Provider feels there is a need for additional units of service in individual cases or for the contract as a whole, it is the responsibility of Provider to obtain written approval from BCCS/BCDJFS administration prior to providing the additional units of service. Lack of diligence in securing such approval in advance shall not operate to the financial prejudice of BCCS/BCDJFS and thus BCCS/BCDJFS shall not be obligated to approve or pay for any services provided in excess of those it has authorized.

Should BCCS/BCDJFS agree to an increase in the authorized number of units of service, amendment language will be formulated by BCCS/BCDJFS for incorporation into the Contract via BCCS/BCDJFS' contract amendment process. No contract modifications shall become effective until they are formally amended per Contract Section 7 – Amendment.

All requests for reimbursement shall have adequate supporting documentation. Required documentation specific to this contract is listed in Exhibit 2 – Reimbursement Policy.

Service and expenses for which there is insufficient documentation will not be reimbursed, or will be recovered through the audit process.

A) Billing: Invoices shall be sent each month to BCCS/BCDJFS within fifteen (15) days of the end of the service month. Provider shall make all reasonable efforts to include all service provided during the service month on the invoice. BCCS/BCDJFS shall not make payment for any service, based upon either an initial invoice or a supplemental invoice, for which a request for reimbursement is submitted to BCCS/BCDJFS more than ninety (90) calendar days from the end of the service month. The BCCS/BCDJFS Finance Department has the final authority to determine whether an invoice is received timely and accurately. For invoices which are received timely but are not accurate, there shall be no extension of time limitations.

B) Payment: BCCS/BCDJFS will review Provider's invoice for completeness of required information before making payment, but within thirty (30) working days after receipt of a complete and accurate invoice. Any adjustments by BCCS/BCDJFS to the invoice will be identified in an adjustment letter to Provider, to be issued timely with the payment check. If Provider's invoice is incomplete, payment will be delayed until receipt of required information.

In the event BCCS/BCDJFS intends to withhold any amount due to the lack of sufficient documentation, BCCS/BCDJFS will promptly notify Provider in writing.

20. AUDIT RESPONSIBILITY

Provider shall accept responsibility for receiving, replying to and/or complying with any audit exception by appropriate federal, state or local entities directly related to Provider's performance of this Contract.

Audits will be conducted using a "sample" method. Depending on the type of audit conducted, the areas to be reviewed using the sample method may include, but are not limited to months, expenses, total units, and billable units. If errors are found, the error rate of the audit sample will be applied to the entire audit period.

Provider recognizes and agrees BCCS/BCDJFS may withhold any money due and recover through any appropriate method any money erroneously paid under this Contract if evidence exists of less than full compliance with this Contract.

Provider shall repay BCCS/BCDJFS, with interest at the statutory rate, the full amount of payment received for duplicate billing, erroneous billings, or false or deceptive claims. When an overpayment is identified and the overpayment cannot be repaid in one month, Provider shall sign a "Repayment of Funds Agreement" or BCCS/BCDJFS shall withhold the overpayment from monies due Provider. If payments are not made according to the agreed-upon terms, future checks will be held until the repayment of funds is current. Checks held more than sixty (60) days will be canceled and will not be re-issued. BCCS/BCDJFS may, in its sole discretion, allow a change to the terms of the Repayment of Funds Agreement. Any change to the Repayment of Funds Agreement shall require a formal amendment to be signed by all parties. An amendment to the Repayment of Funds Agreement may also be required by BCCS/BCDJFS if any additional changes or issues develop or need to be addressed as determined by BCCS/BCDJFS.

BCCS/BCDJFS reserves the right not to increase the rate(s) of payment or the overall Contract amount for services purchased under this Contract if there is any outstanding or unresolved issue related to any audit finding.

HIPAA RULES AND REGULATIONS

Exhibit 1, Attachment F

WHEREAS, BCCS/BCDJFS has retained the Provider to perform one or more functions or activities and/or to provide services that require the Provider to have access to protected health information ("PHI") as that term is defined under the Health Insurance and Portability and Accountability Act of 1996, as amended ("HIPAA"); and

WHEREAS, both parties want to establish the terms and conditions under which the Provider may use or disclose PHI so that BCCS/BCDJFS and Provider may comply with applicable legal requirement of HIPAA; and

WHEREAS, HIPAA and the laws of Ohio provide a shield of confidentiality around PHI for BCCS/BCDJFS Clients which BCCS/BCDJFS requires Provider to respect;

NOW, THEREFORE, in consideration of the mutual promises and covenants listed in this Agreement, BCCS/BCDJFS and Provider hereby agree as follows:

Article I - PROVIDER'S RIGHTS AND OBLIGATIONS

- 1.1 Provider shall not use or disclose PHI except as permitted or required under this Agreement or Required by Law.
- 1.2 Provider shall use appropriate safeguards to prevent the use and/or disclosure of PHI except as permitted under this Agreement.
- 1.3 Provider shall mitigate any harmful effect of any use or disclosure of PHI by the Provider or the Provider's employees, agents or subcontractors that violates this Agreement.
- 1.4 Provider shall notify BCCS/BCDJFS, in writing, of any use or disclosure of PHI that violates this Agreement or any applicable federal or state law, rule or regulation.
- 1.5 Provider shall ensure that all of its agents and subcontractors will agree, in writing, to the same restrictions and conditions that apply to the Provider with respect to PHI. Provider shall, at BCCS/BCDJFS's request, provide BCCS/BCDJFS copies of any agreements the Provider has with its agents or subcontractors to ensure that the agents and subcontractors must comply with this Agreement.
- 1.6 Provider shall provide BCCS/BCDJFS access, at BCCS/BCDJFS's request, to PHI maintained individually or in a Designated Record Set, to BCCS/BCDJFS or, if requested by BCCS/BCDJFS, to the Individual.

This access to PHI shall comply with the HIPAA requirements applicable to an Individual's rights to access his/her PHI. The Provider shall respond to a request to access PHI within the shortest reasonable amount of time, but in no event longer than five (5) days after receiving the request, and shall provide the PHI in the form requested. If the PHI is not readily available in the form requested, the PHI will be provided in a readable hard copy. The Provider may charge a reasonable fee for copying, mailing, or summarizing the information. The Provider shall immediately notify BCCS/BCDJFS, in writing, if the Provider receives a request for PHI that is not in a Designated Record Set. The provisions of this Section 1.6 shall also apply to the Provider's agents and subcontractors.

- 1.7 Provider shall amend and/or correct any inaccurate Individual's PHI which the Provider maintains individually or in a Designated Record Set. Provider shall ensure that all amendments and/or corrections to the PHI will comply with HIPAA requirements applicable to an Individual's right to have his/her PHI corrected or amended. The Provider shall correct and/or amend the Individual's PHI promptly, but in no event more than forty-five (45) days after receiving the request, and shall provide the Individual written notice that the PHI has been amended or corrected. Alternately, if the Provider denies the Individual's request to amend and/or correct the PHI, the Provider shall notify the Individual, in writing, in the shortest reasonable amount of time, but in no event more than forty-five (45) days after receiving the request, that the PHI has not been amended and/or corrected. Such notice will comply with the requirements of 45 CFR 164.526(d). The Provider shall notify BCCS/BCDJFS, in writing, whenever it corrects or amends an Individual's PHI. The Provider shall provide BCCS/BCDJFS access to PHI within the shortest reasonable amount of time, but in no event more than thirty (30) days after receiving BCCS/BCDJFS's request and shall provide BCCS/BCDJFS access to the PHI in a format and at a time and location designated by BCCS/BCDJFS so that BCCS/BCDJFS can comply with its obligations to amend and/or correct an Individual's PHI under 45 CFR 164.526. Provider shall not charge any fee to correct and/or amend an Individual's PHI. The provisions of this Section 1.7 shall also apply to the Provider's agents and subcontractors.
- 1.8 Provider shall respond to an Individual's request for an accounting of disclosure of his/her PHI in accordance with 45 CFR 164.528. This response will be made within the shortest reasonable amount of time, but in no event more than forty-five (45) days after receiving the request, and the response shall comply with HIPAA requirements applicable to an Individual's right to obtain an accounting of certain disclosures of his/her PHI. Provider may charge a reasonable fee for production and mailing costs in accordance with 45 CFR 164.528. The provisions of this Section 1.8 shall also apply to Provider's agents and subcontractors.
- 1.9 Provider shall document any disclosures of PHI and the information related to such disclosures that BCCS/BCDJFS deems necessary for BCCS/BCDJFS to respond to a request by an Individual for an accounting of disclosure of his/her PHI in accordance with 45 CFR 164.528. Provider shall respond to any request from BCCS/BCDJFS for this information within the shortest reasonable amount of time, but in no event more than within thirty (30) days after receiving BCCS/BCDJFS's request. Provider may not charge BCCS/BCDJFS for this information. The provisions of this Section 1.9 shall also apply to the Provider's agents and subcontractors.

- 1.10 Provider shall make its internal practices, books and records, including policies and procedures and PHI, relating to the use and disclosure of PHI received from, or created or received by the Provider, for or on behalf of BCCS/BCDJFS available to the Secretary so that the Secretary can determine if BCCS/BCDJFS is complying with HIPAA. This information will be provided in a time and manner that complies with any of the Secretary's requirements. In addition, Provider shall make this material available to BCCS/BCDJFS so that BCCS/BCDJFS may ensure compliance with HIPAA and this Agreement. The provisions of this Section 1.10 shall also apply to the Provider's agents and subcontractors.
- 1.11 Provider shall comply with any written request by BCCS/BCDJFS to exchange information with another entity to facilitate BCCS/BCDJFS administration.
- 1.12 Provider shall, if requested by BCCS/BCDJFS, in writing, distribute BCCS/BCDJFS's privacy notice as required under 45 CFR 164.504(f). BCCS/BCDJFS will either furnish the Provider with the privacy notice or will request the Provider prepare the privacy notice. If the Provider prepares the privacy notice, BCCS/BCDJFS must approve the privacy notice, in writing, before the Provider distributes the privacy notice. Provider shall maintain records documenting that the privacy notice has been distributed.

ARTICLE II - PROVIDER'S PERMITTED USES AND DISCLOSURES

- 2.1 Except as otherwise limited by this Agreement, the Provider may use and disclose PHI on behalf of or to provide services to BCCS/BCDJFS as set forth in the parties separate agreement for services for purposes specifically stated therein, but only if the uses and disclosures do not violate HIPAA. All uses and disclosures must comply with BCCS/BCDJFS's minimum, necessary standards which shall mirror those required by federal and/or state law.
- 2.2 Except as otherwise limited by this Agreement, Provider may use PHI for the proper management and administration of Provider or to carry out the Provider's contractual responsibilities. Provider shall also respond to an Individual's request for assistance if the Provider is able to provide the assistance without violating HIPAA or any other applicable federal or state statute, rule or regulation.
- 2.3 Except as otherwise limited by this Agreement, Provider may disclose PHI for, or on behalf of, the proper management and administration of Provider, provided that disclosure is Required by Law, or the Provider obtains reasonable assurances from the Individual to whom the information is disclosed that it will remain confidential and will be used, or further disclosed, only as Required by Law, for the purpose for which it was disclosed to the Individual, and the Individual notifies the Provider of any instances of which the Individual is aware in which the confidentiality of the information has been breached.

ARTICLE III - BCCS/BCDJFS'S RIGHTS AND OBLIGATIONS

- 3.1 BCCS/BCDJFS will notify the Provider of BCCS/BCDJFS's privacy practices and restrictions:
- A. BCCS/BCDJFS will notify the Provider of any limitation(s) in BCCS/BCDJFS's notices of privacy practices in accordance with 45 CFR 164.520 and state law governing the use and disclosure of information contained in Ohio Revised Code Chapter 5101 to the extent such limitation(s) may affect the Provider's use or disclosure of PHI;
 - B. BCCS/BCDJFS will notify the Provider of any changes in or revocation of permission by an Individual to use or disclose PHI to the extent such change may affect the Provider's use or disclosure of PHI; and
 - C. BCCS/BCDJFS will notify the Provider of any restriction upon the use or disclosure of PHI that BCCS/BCDJFS has agreed to in accordance with 45 CFR 164.55 and Ohio Revised Code Chapter 5101 to the extent that such restriction may affect the Provider's use or disclosure of PHI.
- 3.2 BCCS/BCDJFS will not request, and Provider shall not use or disclose, PHI in any way that would violate HIPAA.

ARTICLE IV - TERM AND TERMINATION

- 4.1 This Agreement will become effective as of the Effective Date and will remain in effect until Provider returns the entire PHI to BCCS/BCDJFS or, if both parties agree in writing, Provider destroys the entire PHI.
- 4.2 If and when BCCS/BCDJFS becomes aware of a material breach of this Agreement by Provider, BCCS/BCDJFS shall have the right to exercise any of the following options:
- A. BCCS/BCDJFS may provide an opportunity to the Provider to cure the breach within a reasonable amount of time specified by BCCS/BCDJFS or to demand that Provider end the violation immediately after being notified of the breach. Provider shall provide reasonable documentation to BCCS/BCDJFS to prove the breach has been cured or the violation has ended; or
 - B. BCCS/BCDJFS, at its option, may immediately terminate the underlying separate services contract between the parties; or
 - C. If it is not feasible to terminate the underlying separate services contract between the parties and Provider can not cure the material breach, BCCS/BCDJFS will notify the Secretary of the U.S. Department of Health and Human Services of the violation and request direction on how to proceed. Provider shall cooperate with BCCS/BCDJFS in the correction of any material breach in confidentiality.

BCCS/BCDJFS shall have the sole discretion to select any of the options listed in 4.2 above.

138

- 4.3 Subject to Section 4.4, whenever this Agreement terminates for any reason, Provider shall return or, at BCCS/BCDJFS's option, destroy all the PHI received from BCCS/BCDJFS or created or received on behalf of BCCS/BCDJFS. All of Provider's agents and subcontractors also shall return or, at BCCS/BCDJFS's option, destroy all the PHI received from BCCS/BCDJFS or created or received on behalf of BCCS/BCDJFS. Neither Provider nor any of Provider's agents or subcontractors will retain any copies of the PHI. The Provider and Provider's agents and subcontractors shall certify, in writing, that all the PHI has been returned or destroyed in accordance with this Section 4.3.
- 4.4 If Provider determines that it is not possible to return or destroy the PHI, Provider shall immediately notify BCCS/BCDJFS, in writing, of the reason(s) why it is not possible to return or destroy the PHI. If BCCS/BCDJFS agrees that it is not feasible for Provider to return or destroy the PHI, Provider will extend the protection of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible for as long as Provider maintains such PHI. The Provider shall retain the PHI for at least six years after this Agreement terminates. The provisions of this Section 4.4 shall also apply to Provider's agents and subcontractors.

ARTICLE V - MISCELLANEOUS PROVISIONS

- 5.1 Provider shall immediately indemnify, defend and hold harmless BCCS/BCDJFS against all liability, penalties and reasonable costs incurred or assessed against BCCS/BCDJFS for any acts or omissions by Provider, its employees, agents and/or subcontractors which occur, arise, accrue or are asserted as a result of the performance or failure to perform this Agreement or the underlying separate specific services contract between the parties. The terms of this Section 5.1 will remain in effect indefinitely regardless of when or why this Agreement terminates. Provider agrees to maintain liability insurance protection with insurance companies licensed in the State of Ohio for privacy breaches by Provider, its employees, agents and/or subcontractors in an amount deemed reasonable and adequate by BCCS/BCDJFS. Provider shall present proof of such coverage to BCCS/BCDJFS upon demand.
- 5.2 This Agreement is not intended to, and does not confer, create, or in any other way provide any rights, obligations, claims or liabilities to or for any person, Individual, or entities except for BCCS/BCDJFS and Provider and their respective successors or assigns.
- 5.3 Provider and BCCS/BCDJFS agree to do whatever is necessary to amend this Agreement to enable BCCS/BCDJFS to comply with the Privacy Rule, HIPAA and/or any other applicable federal or state statute, rule or regulation as amended from time to time. All amendments shall be in writing and signed by all parties. Provider shall execute any amendment to the Agreement that is required by BCCS/BCDJFS to ensure compliance with the Privacy Rule, HIPAA and all other applicable state and federal laws, rules and regulations.
- 5.4 Any ambiguity in this Agreement shall be resolved so as to permit BCCS/BCDJFS to comply with the Privacy Rule, HIPAA and all other applicable state and federal laws, rules and regulations. This Agreement will be interpreted as broadly as necessary to comply with the Privacy Rule, HIPAA and state and federal laws, rules and regulations.

The reimbursement policy is outlined below:

1. The maximum amount payable under this contract is **AMOUNT**

Nothing in this contract shall be construed as a guarantee that BCCS/BCDJFS will make referrals to the Provider at all or at a level that would result in the Provider earning the maximum contract amount.

2. BCCS/BCDJFS will reimburse Provider for actual services rendered at the rates listed below and on the **Per Diem Base Rate sheets (Exhibit 2, Attachment A) (to be completed by provider with Administrative and Maintenance Breakdowns)**, unless a higher per diem rate is determined necessary, as identified in the Individual Child Care Agreement (ICCA).

- **Group Home** **PER DIEM (\$__ maintenance/\$__ admin)**

3. When appropriate, Provider shall pursue all other sources of revenue prior to billing BCDJFS for services. Provider shall provide documentation that all other sources of revenue have been actively pursued and exhausted prior to billing BCDJFS for services. Possible revenue sources include, but are not limited to, 3rd party insurance, Medicaid, and any other source of local, state or federal revenue. All revenue sources currently accessed by Provider and available to serve eligible clients shall be listed in the budget and utilized, where permissible, to reduce the cost of the contracted service to BCCS/BCDJFS. Failure to properly pursue alternate payment sources may result in reduction of payment by BCDJFS and demand for return of overpayments.
4. Provider will not discriminate in the selection of referrals, distribution of services, or the execution of services to BCCS clients on the basis of insurance coverage or eligibility.
5. BCCS shall complete the **BCCS/BCDJFS Reimbursement For Placement Services** form (**Exhibit 2, Attachment B**) and submit to Provider upon initial placement of child with Provider and shall include justification for any rate that exceeds the base rates established in Exhibit 2, Attachment A. 7. In addition to the invoice requirements listed in Contract Section 19 - Reimbursement, Provider shall include the following information on each invoice:

8. All invoices shall be accompanied by a monthly progress report for each child in placement. The progress report shall be based on the child's ICCA and shall include documentation of service provided to the child.
9. BCCS/BCDJFS will pay for the first day of child's placement with Provider regardless of the number of hours of actual service for the day. BCCS/BCDJFS will **not** pay for the last day of child's placement with Provider regardless of the number of hours of actual service for the day.
10. BCCS/BCDJFS will pay for all physical, optical, dental and behavioral health care services not covered by Medicaid or other third party payer. Reimbursement for services not covered by Medicaid or other third party payer will be made per Butler County Children Services Division Policies, Procedures and Requirements, detailed in Exhibit 1, Attachment A.
11. BCCS/BCDJFS will pay the Provider for up to three (3) days when a child is temporarily absent from the direct care of the Provider. Any additional paid absent days must be negotiated and agreed to in writing by both parties.
12. Hamilton County Department of Job and Family Services¹⁹³

Provider Certification Process

(Revised 6/05)

I. Overview

The purpose of the **Hamilton County Department of Job and Family Services (HCJFS) Provider Certification Process** is to determine a service provider's apparent administrative capacity to effectively manage an HCJFS contract. The process is designed strictly for internal HCJFS decision making and should not be seen as an official accreditation, licensing or endorsement of a provider program or agency. The process is divided into three (3) sections - **A. Program Identifying Information, B. Administrative Capacity and C. Quality Assurance.** Sections A. and B. must be completed prior to contract signing. Section C. must be completed within six (6) months of contract signing. A six (6) month period is given for Section C. to allow time for smaller agencies who may not have all of the quality assurance components in place. As with any process, there are always exceptions so consult with management if certain portions of the document are not applicable to a specific provider.

A. **Program Identifying Information (Section A)** - identifies key information such as:

1. agency name and address;
2. director's name;
3. service being purchased;
4. hours/days of operation, etc.

B. **Administrative Capacity (Section B)** - identifies administrative areas which are key to an effective operation such as:

1. accounting and record keeping systems;
2. copies of important documents such as the table of organization, Articles of Incorporation, insurance, etc.;
3. review of provider personnel files for proof of drivers' licenses, insurance, professional credentials, etc.;
4. tour of the provider's facility.

None of this information is to be released to anyone other than the provider without HCJFS management approval.

C. **Quality Assurance (Section C)** - identifies processes and procedures for ensuring quality service such as:

1. program staff training plan;
2. staff policy and procedure manual;
3. quality assurance plan/activities.

Refer to detailed instructions for completing the certification document.

2. Reviewed and accepted: a. Most recent annual indep. audit or comparable financial documents; b. audit management letter, if applicable; c. SAS61 (auditor’s communication to the board’s audit committee), if applicable; d. most recent 990 and Schedule A ; e. most recent federal income tax return; f. written internal financial controls.	<p>This information is used to determine the financial status of an agency. Things to look for are:</p> <ol style="list-style-type: none"> 1. Did the audit firm issue an unqualified opinion on the report? If not, a further review of the agency’s financial status should be conducted. If the audit report is not for the prior calendar year, ask when the report will be finished and follow-up with provider to obtain a copy. 2. Do the attachments/exhibits indicate problems, recommendations, etc.? 3. Does the audit management letter indicate a problem or areas that need improvement? 4. Does the SAS61 indicate problems, concerns, etc.? 5. The 990 repeats much of the information in the independent audit but also includes the salaries for the top 5 positions earning over \$50,000.00 per year. 6. Were taxes filed timely? If not, why? Were extensions requests done timely? 7. Do the controls indicate a separation of duties? Is there a clear understanding of duties and roles? For assistance in developing internal financial controls, providers can consult the standards issued by the GAO in the booklet titled <i>Government Auditing Standards</i>. The information is also available on the GAO website at: http://www/gao.gov/policy/guidance.htm
3. Indicate Provider’s filing status with the IRS: a. 501C3 (not-for-profit); b. sole proprietor; c. corporation (for profit); d. government agency; e. other (specify).	The filing status is important because of filing and tax conditions which are unique to each category.

<p>4. Received current copies of:</p> <ul style="list-style-type: none"> a. Articles of Incorporation, if applicable; b. job descriptions for all staff in program budget; c. insurance with the correct amount, type of coverage and add'l. insureds listed; d. Worker's Compensation insurance; e. table of organization including advisory boards & committees; f. service/attendance form, sign-in sheet, etc. g. contract service contingency plan, if applicable. 	<p>Copies of all the documents must be received per prior to contract signing.</p> <ol style="list-style-type: none"> 1. Work with management for unusual coverage amounts for unusual services. Indicate the expiration date so HCJFS can do timely follow-up to ensure the insurance coverage remains current. 3. Table of organization should show the relationship of the contracted service to the entire organization. The T.O. may reference programs for positions. 4. The service/attendance form is the sheet used to document units of service. Determine if information maintained is adequate - client names, date, begin/end time, unit(s) of service, name of teacher/case worker, etc. 5. The contract service contingency plan is to detail how service will be provided to HCJFS clients should the provider be unable to comply with the contract terms. What is the provider's back-up plan?
<p>5. Reviewed 3 of the last 12 months board minutes</p>	<p>Review for problems which could reflect on the administrative capacity of the agency, i.e. issues with the contracted programs, staff issues, funding issues, etc.</p>

<p>6. The agency must show how the expenses and revenue for each contracted program will be reported/tracked in a separate account. 2. Determine how financial invoices will be filed. Is this adequate for audit purposes? 3. Identify the accounting system used - cash vs accrual. This is important in an audit for determining how expenses and revenues are reported. 4. Determine how the agency will meet payroll and other contract related expenses during the start-up period, prior to receiving the first contract reimbursement. 5. Review the process for reporting expenses, service and performance goals. Does provider have the administrative capacity to manage the contract in an accurate and timely fashion? In the program area? In the financial area? 6. Review the process for documenting and maintaining client service records. Is it acceptable for audit purposes? Can invoiced services be easily tracked to a source document? Is the information in the source document legible, complete, etc? 7. Since the initial reimbursement will be approximately 2 months from the end of the first service month, discuss with provider how program expenses will be paid during that time.
<p>7. When applicable, review personnel files for proof of required documentation including, but not limited to:</p> <ul style="list-style-type: none"> a. current professional license/certification; b. driver's license with < 5 points; c. proof of car insurance; d. police/BCII check completed within the last 12 mons. 	<p>Based on the work performed by the contract agency's staff, conduct a sampled review of personnel files to ensure required documentation is current and on file. <p>9. Interior - Public Areas</p> <ul style="list-style-type: none"> a. indicate general impression of appearance- cleanliness, neatness, safety, etc. b. is facility handicapped accessible? c. are bathrooms handicapped accessible? d. does facility design ensure client confidentiality? e. is the facility adequate for our program? f. ask provider if a negative building safety report has been issued by the fire department. 	<p>Purchased services are to be provided in an appropriate setting and accessible to all referred clients. This area is subjective and open to interpretation. The question to ask yourself is if you'd feel comfortable referring a client to this location. The fire department only issues a report when there are building safety issues. Ask to see any negative safety report and, if any, ask for proof of compliance - repair invoices, etc. Calls can be made to the fire department if the status is in doubt.</p>
<p>10. Contract Management Plan - review provider's written plan for contract management.</p> <ul style="list-style-type: none"> a. how will provider ensure integrity and accuracy of the financial system for reporting to HCJFS? b. how will provider ensure integrity of record keeping for documenting and reporting units of service and performance objectives to HCJFS? c. how will provider ensure administrative and program staff are fully aware of and comply with contract requirements? d. what is provider's plan for conducting self-reviews to ensure contract compliance? e. what is provider's plan for ensuring receipt of client authorization forms prior to invoicing? f. what is provider's plan to remain in compliance with contract requirements for timely invoicing to HCJFS? g. what is provider's plan for monitoring contract utilization? 	<p>The purpose of the plan is to ensure the provider is fully aware of the contractual obligations and has a pro-active plan for managing the various contract components.
