This Agreement and the Exhibits shall be interpreted and construed to harmonize all of the provisions herein and therein to the extent possible. However, in the event of an irreconcilable conflict between provisions of this Agreement and provisions of the Exhibit, the provisions granting greater rights or remedies to HCJFS, or imposing the greater duty, standard, responsibility or obligation on Vendor shall govern.

Vendor acknowledges and agrees that: (1) HCJFS will have no responsibility to provide to Vendor or its assigned employees insurance, vacation, or other fringe benefits normally associated with employee status, including, but not limited to participation in any welfare benefit plan sponsored by HCJFS for the benefit of its employees; (2) Vendor will not hold itself or its staff out as nor claim to be an officer, partner, joint venturer, employee or agent of HCJFS; (3) Vendor shall be responsible for reporting, withholding and payment of all income, unemployment, FICA or similar taxes for Vendor and its staff; and (4) Vendor shall, at its own expense, comply with all applicable laws, including but not limited to the National Labor Relations Act, the Americans With Disabilities Act, all applicable employment discrimination laws, overtime laws, immigration laws, workers' compensation laws, and occupational safety and health laws and any regulations related thereto.

5. NON-EXCLUSIVE

This is a non exclusive Contract, and HCJFS may purchase the same or similar item(s) from other Vendors at any time during the term of this Contract.

6. CONFLICT OF INTEREST

This Contract in no way precludes, prevents, or restricts the Vendor from obtaining and working under an additional contractual arrangement(s) with other parties aside from HCJFS, assuming that the contractual work in no way impedes the Vendor's ability to perform the services required under this Contract. The Vendor warrants that at the time of entering into this Contract, it has no interest in nor shall it acquire any interest, direct or indirect, in any Contract that will impede its ability to perform the services under this Contract.

The Vendor further agrees that there is no financial interest involved on the part of any HCJFS officers, Board of County Commissioners or employees of the county involved in the development of the specifications or the negotiation of this Contract. The Vendor has no knowledge of any situation that would be a conflict of interest. It is understood that a conflict of interest occurs when a HCJFS employee will gain financially or receive personal favors as a result of the signing or implementation of this Contract. The Vendor will report the discovery of any potential conflict of interest to HCJFS. Should a conflict of interest be discovered during the term of this Contract, HCJFS may exercise any right under the Contract including termination of this Contract.

All subcontracts are subject to the same terms, conditions, and covenants contained within this Contract. Vendor agrees it will remain primarily liable for the provision of all deliverables under this Contract and it will monitor any approved subcontractors to assure all requirements under this Contract are being met.

Notwithstanding any other provisions of this Contract that would afford Vendor an opportunity

to cure a breach, Vendor agrees the assignment of any portion of this Contract or use of any subcontractor, without HCJFS' prior written consent, is grounds for HCJFS to terminate this Contract with one (1) day written notice. Vendor must notify HCJFS within one (1) business day when Vendor knows or should have known that the subcontractor is out of compliance or unable to meet Contract or licensing requirements. Should this occur, Vendor will immediately implement a process whereby subcontractor is immediately brought into compliance or the subcontractor's contract with Vendor is terminated. Vendor shall provide HCJFS with written documentation regarding how compliance will be achieved. Under such circumstances, Vendor shall notify HCJFS of subcontractor's termination and shall make recommendations to HCJFS of a replacement subcontractor. This Contract shall supersede all previous communications, representations or contracts, either written or oral, between the parties to this Contract. This Contract shall not be modified in any manner except by an instrument, in writing, executed by the parties to this Contract.

The Vendor acknowledges and agrees that only staff from the Contract Services Section of HCJFS may initiate contract changes with the approval of the County. In no event will an oral contract with HCJFS be recognized as a legal and binding change to the Contract.

10. SEVERABILITY

If any term or provision of this Contract or the application thereof to any person or circumstance shall, to any extent be held invalid or unenforceable, the remainder of this Contract or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term and provision of this Contract shall be valid and enforced to the fullest extent permitted by law.

11. TERMINATION

This Contract may be terminated by either party upon notice, in writing, delivered upon the other party prior to the effective date of termination. Should Vendor wish to terminate this Contract, Vendor must deliver the notice of termination thirty (30) days prior to the effective date of termination. Based on substantiated allegations of inappropriate activities, behaviors and/or actions including, but not limited to, loss of required license, abuse or neglect of a consumer or unethical or business violations, HCJFS reserves the right to terminate immediately upon delivery of the termination notice. The parties further agree that should Vendor become unable to provide the services agreed to in this Contract for any reason or otherwise materially breach this Contract, such service as Vendor has provided upon the date of its inability to continue the terms of this Contract shall be eligible to be billed and paid according to the provisions of **Section 4 – BILLING AND PAYMENT**. HCJFS shall receive credit for reimbursement already made when determining the amount owed to Vendor.

Vendor, upon receipt of notice of termination, agrees that it will cease work on the terminated activities under this Contract, terminate all subcontracts relating to such terminated activities, take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report as of the date of receipt of notice of termination describing the status of all work under this Contract, including without limitations, results accomplished, conclusion resulting therefrom and such other matters as HCJFS may require. The parties further agree that should Vendor become unable to complete the work requested in this Contract for any reason, such work as Vendor has completed upon the date of its inability to continue the terms of this Contract shall become the property of HCJFS. HCJFS shall not be liable to tender and/or pay to Vendor any further compensation after the date of Vendor's inability to complete the terms hereof, which date shall be the date of termination, unless extended upon request by HCJFS.

Notwithstanding the above, Vendor shall not be relieved of liability to the HCJFS for damages sustained by HCJFS by virtue of any breach of the Contract by Vendor and HCJFS may withhold any compensation to Vendor for the purpose of off-set until such time as the amount of damages due HCJFS from Vendor is agreed upon or otherwise determined.

17. WAIVER

Any waiver by either party of any provision or condition of this Contract shall not be construed or deemed to be a waiver of any other provision or condition of this Contract, nor a waiver of a subsequent breach of the same provision or condition.

18. NO ADDITIONAL WAIVER

Waivers shall not be effective unless in writing.

The Vendor understands that any access to the identities of any HCJFS consumers shall only be as necessary for the purpose of performing its responsibilities under this Contract. The Vendor agrees that the use or disclosure of information concerning HCJFS consumers for any purpose not directly related to the administration of this Contract is prohibited.

20. AUDIT RESPONSIBILITY

The Vendor agrees to accept responsibility for receiving, replying to and/or complying with any audit exception by appropriate federal, state or local audit directly related to the provision of this Contract.

Audits will be conducted using the "sampling" method. Depending on the type of audit conducted, the areas to be reviewed using the sampling method may include, but are not limited to, months, expenses, total units and billable units. If errors are found, the error rate of the sample period will be applied to the entire audit period.

The Vendor agrees to repay the HCJFS the full amount of payment received for duplicate billings, erroneous billings, or false or deceptive claims. The Vendor recognizes and agrees that HCJFS may withhold any money due and recover through any appropriate method any money erroneously paid under this Contract if evidence exists of less than full compliance with this Contract. When an overpayment is identified and the overpayment cannot be repaid in

one month, at the option of HCJFS, Vendor may be asked to sign a REPAYMENT OF FUNDS AGREEMENT (the "Repayment Agreement"). If payments are not made according to the Repayment Agreement, future checks may be held until the Repayment Agreement is current. Checks held more than sixty (60) days will be cancelled and will not be reissued. HCJFS also reserves the right to not increase the rate(s) of payment or the overall Contract amount for services purchased under this Contract if there is any outstanding or unresolved issue related to an audit finding.

HCJFS CONTRACT BUDGET USER GUIDE

When contracting with the Hamilton County Department of Job & Family Services (HCJFS), it is required that a budget be completed for each program being proposed. In order to facilitate the process, we request that the attached budget be used. This budget consists of two parts: the User Guide to assist in the completion of the budget, and the budget itself.

This guide is designed to assist the user in completing the budget. In some instances field definitions and other information will be given. If possible, examples will be provided. Definitions and examples will occasionally not be provided. Should you have a question regarding that particular area, contact the HCJFS Contract Services Section.

Page 1 is a summary of expenses. It should be completed after all other budget pages are finalized. The totals from the information supplied on pages 2 through 9 are used to complete this page. Information at the bottom of the page should be completed regarding the total units and the cost of the service. Pages 2 through 9 should be prepared itemizing each line item.

There are three columns without a column header or title. These columns have been purposely left blank in order for each Provider to enter the type of service being proposed. When completing the budget, it will be important to provide a header for each column being used. These columns are to be used to record the direct costs for the contracted program(s).

If the program offers supportive services such as transportation, those costs should be broken out and entered in one of the other Contract Program columns. Costs for all other direct services of the agency should be combined and entered in the column titled "Other Direct Services".

Management, administrative, and indirect costs should be entered in the column entitled "MGMT/Indirect". Indirect costs are those costs incurred for a common or joint purpose benefiting more than one service area or cost center. Allowable indirect costs for the indirect cost column include, but are not limited to, the accounting and budgeting functions, disbursing services, personnel & procurement functions, and other agency administration.

INSTRUCTIONS FOR SUMMARY PAGE – PAGE 1

Page 1 of the budget is a summary of expenses. It should be completed after all other budget pages are finalized. Information at the bottom of the page should be completed regarding the total units and the cost of the service.

AGENCY NAME: The legal, and if applicable, incorporated name of the Provider agency.

NAME OF CONTRACT PROGRAM: The name of the program being purchased.

BUDGET PERIOD: The specific time period for the budget completed.

ACTUAL BUDGET AREA: A total of all the figures carried over from the previous pages. This gives an overview of the budget for which the proposal is being submitted, as well as, an overall picture of the agency costs. The total figures given for each of these areas should match the same figures indicated in each of the appropriate sections.

For a more detailed explanation of each of the areas, use the instructions in each specific section. Once all totals have been carried to this section be sure to double check the figures to make sure all columns and rows balance.

EXPENSES BY SERVICES COLUMN: Each column header from pages 2 through 9 are listed in this column so that the totals for each of these items can be listed in each of the specific columns.

EXPENSES BY PROGRAM SERVICES: The horizontal row is used to define the column header. “MGMT Indirect, Other Direct Ser and TOTAL Expense” fields are already defined. The first three column headers have been purposely left blank in order to indicate the name of the program being purchased.

If a proposal includes more than one service within the program, then an additional column would be completed for the additional service. For example, the proposal being submitted is for employment development. The services included in this proposal are skill training, and employment retention. In this instance, one column would be completed for skill training and the other for employment retention.

If for example, a proposal is being submitted for an offender program, the header for that column would be titled "Offender Program". In this instance, the other two column headers would be left blank.

If a proposal is being submitted is for workforce development and transportation and case management are two components of the program, then the first column header would indicate "Transportation" and the second column would indicate "Case Management". In this instance, the third column would be left blank.

MGMT INDIRECT: The totals entered per line item for each item on the other pages.

CONTRACT PROGRAM: The totals entered per line for each item on the other pages.

DIRECT SERVICES: The figures entered here should represent the total calculations based on the figures and percentages entered for each item on the other pages.

TOTAL EXPENSES: The totals for all figures entered on this page. They are also the totals of all of the three previous fields (MGMT Indirect, Contract Program and Other Direct Services) as well as the programs being purchased.

TOTAL UNITS: The number of units that the program being purchased is planning to provide. Depending on the contract, a unit could be considered an hour, a session, a trip, etc...

UNIT COST: The total expenses divided by the total units.

UNIT =: Indicate whether the unit is an hour, trip, session, etc.

**INSTRUCTIONS FOR BUDGET SECTION A - PAGE 2; STAFF
POSITIONS**

This section is used to list all positions that are included in the contracted program. This page will also capture the financial information needed on the rest of the agency. If a proposal is being submitted for one service being offered within a program, one column would be completed for the contracted program, one for the management indirect services and one for other direct services. Should a proposal being submitted include more than one service within the program, an additional column would be completed for the additional service. For example, the proposal being submitted is for employment development. The services included in this proposal are skill training, and employment retention. In this instance one column would be completed for skill training and another for employment retention.

SALARIES: List all position titles of staff who work for the Agency. If Provider agency is extremely large, Provider may list salary amounts for staff in other direct service programs by program total or by one total for all other programs. However, in order to complete the budget in this manner, Provider must obtain permission from a Contract Services Supervisor or Section Chief. All staff who work in any capacity in the program or programs to be contracted, plus all management and administrative staff, must be listed separately with the specific amounts paid to each. In the second column, indicate the number of staff who have the same job title, i.e. teachers, and who earn the same annual wage. Indicate the number of staff and the annual cost - this is the amount paid annually to each of the teachers. If some teachers work more or less hours, and/or earn more, then a second, separate listing should be made. If the program has quite a number of staff then Provider may want to copy the Salaries page, to be able to list all the variations. Total all Salaries at the bottom of each column. Make sure this page "balances" - each column adds across and down, to the sum listed in the total sections.

POSITION TITLE: Indicate the titles of the individuals **presently** working in the program being contracted. If the Provider has an individual that has a percentage of time dedicated to the contracted program & another percentage dedicated to other areas, list this individual separately as well.

For EXAMPLE: The agency has three social workers. In this instance, two of those employees are dedicated full time to the program being contracted however; the other only spends 60% of their time on this project and 40% of their time on another project. Given this example, then all three social workers would be listed and the actual weekly number of hours worked in the program area would be entered in the HRS Week field.

The “other” field represents all staff employed by the agency that **do not** work in the contracted program.

For EXAMPLE: There is the Director and three social workers for the contracted program, then another four social workers that report to the same director but work in another program area. In this instance, the Director and the three social workers are listed as program personnel and the four social workers are then listed as “Others” because they work for the same agency but do not have anything to do with the program being contracted.

STAFF: This field must indicate the number of staff that hold the title listed in the “Position Title” field. However, in the “other: field, this number will be the total number of individuals employed by Provider company that do not have anything to do with the contracted program. Remember, if an employee works in the contracted program for any percentage of time then that person would be counted separately.

HRS WEEK: Indicate the number of hours worked each week in the contracted program area, for each employee.

ANNUAL COST: This is the annual salary for each individual listed in the contracted program area. The first block will contain the total of all the salaries for those individuals counted as “Others”.

For example: There is the Director and three social workers for the contracted program, then another four social workers that report to the same director but work in another program area. In this instance, the Director and the three social workers are listed as program personnel and the four social workers are then listed as "Others" because they work for the same agency but do not have anything to do with the program being contracted.

CONTRACT PROGRAM: Enter the salary for the amount of time spent in the contracted program. There are three columns to indicate amounts for each program in which a proposal is being written. For vacant positions that will be filled during the contract year, prorate the salary to reflect the anticipated start date.

MGT INDIRECT: This field should only be completed if the position title of an individual is in a management position. Duties performed that would be included in the "Percent to Mgt. Indirect" would include evaluations, writing checks, dealing with personnel issues, building management or other non-program issues.

OTHER DIRECT SERVICES: Enter the total salaries for each of the staff employed by the agency that is not related to the program being contracted.

TOTAL EXPENSES: This is the total of the Contracted Programs, Management Indirect, and any Other Direct Services.

**INSTRUCTIONS FOR BUDGET SECTION B - PAGE 3;
PAYROLL RELATED EXPENSES**

PAYROLL TAXES: Enter the percentage used in calculating the amount withheld in each of the categories listed. The amounts figured using this percentage should be listed on the appropriate line under the “Expenses by Program Services” column.

UNEMPLOYMENT %: When computing unemployment taxes, the percentage of time the staff devotes to the contracted program should be used to calculate the amount of unemployment taxes attributed to the contracted program for that staff person up to the first \$9,000.00 per employee wages, per year.

BENEFITS: The amounts charged to each column should be based on the staff and salaries shown in that column on page 2. Enter the totals in the spaces provided. The percentage used to calculate the retirement should be entered on the line indicated. The “OTHER” section should list all other deductions that are taken, listing each one separately.

BENEFITS & PAYROLL TAXES: Indicate the total for the amounts indicated above.

**INSTRUCTIONS FOR BUDGET SECTION C - PAGE 3;
PROFESSIONAL FEES & CONTRACTED SERVICES**

PROFESSIONAL FEES & CONTRACTED SERVICES: Contracted services are items such as janitorial, pest control, security, etc. Professional fees are when Provider pay for auditors, accountants, payroll processors, program consultants, etc. These costs are used to pay for services from a company or individual who is not an employee of the agency, but who performs a service for which he/she is paid. Show the amounts related to each column heading.

Each service that has been purchased (contract or professional) should be listed in this field, individually. For example, if the Provider has a contract with Terminix to provide bug control then that would be one item.

The accountant would be another item.

TOTAL PROFESSIONAL FEES AND CONTRACTED SERVICES:

Indicate the totals for the amounts entered above.

INSTRUCTIONS FOR SECTION D - PAGE 4; CONSUMABLE SUPPLIES

CONSUMABLE SUPPLIES: Enter amounts for items used or consumed by the respective programs per the column heading. Generally supplies are items such as stationary, paper, pens, file folders, and envelopes. Other types of supplies are items such as cleaning supplies, toilet paper, mops, brooms, paper towels and floor cleaner. Program and other supplies would also be included in this section such as printed pamphlets, text books and/or computer software. These items must be used or consumed within one year or less. List each item under "OTHER" separately and be specific.

INSTRUCTIONS FOR SECTION E - PAGE 4; OCCUPANCY COSTS

OCCUPANCY COSTS: Enter amounts in the proper column based on a proration of space used by the programs under the column headings. It may be necessary to actually measure the space used by the various programs to achieve a proper proration of these costs. Some Provider's choose to put building and other occupancy costs in their Management and Indirect Costs column, and allocate them along with other "shared" types of costs. Telephone costs should be allocated or prorated based on actual usage, that is the number of phones used by Contract Program, and amount of long distance calls, rather than combined with other occupancy costs.

The occupancy cost includes a usage allowance that is similar to depreciation when the building is owned. In order to calculate the cost, the historical cost of the building must be used. The Provider must calculate the percentage that is to be used by the contracted program. Once both figures are obtained, the cost of the building is multiplied by

the percentage of space used to determine the dollar amount to be charged to the program. For example, the actual cost of the building was \$150,000.00. The building is 3 stories and each story is 1000 square feet. The third floor is the management, the second floor is another program and the first floor is the contracted program. In this case, the first floor or 1000 square feet would be charged to the program or 33%. Therefore, \$150,000.00 divided by the 37.5 year life (life span per the IRS) of the building times 33% (program utilization) = \$1,320.00 per year. This amount can be charged to the program.

RENTAL @ PER SQ. FT.: Indicate the unit amount per square foot. For example, the rent is \$1000.00 per month for 100 square feet; however the unit amount is \$10.00. Indicate the total dollar amount in the block for the budget period. For example, the rent is \$1000.00 per month. The contract is for 10 months. The total dollar amount entered should be \$10,000.00.

HEAT & ELECTRICITY: If taking a straight line percentage of the total electric for the agency, identify the percentage used on the line indicated. If this is included in the rent, write the word "included" on this line.

WATER: If taking a straight line percentage of the total water for the agency, identify the percentage used on the line indicated. If this is included in the rent, write the word "included" on this line.

TELEPHONE: If taking a straight line percentage of the total phone cost for the agency, identify the percentage used on the line indicated.

OTHER: List all other deductions for occupancy costs separately and be specific.

INSTRUCTIONS FOR SECTION F - PAGE 5; TRAVEL COSTS
--

TRAVEL COSTS: The costs entered into each column should be based on a review of actual travel costs incurred by the respective programs. A study of past years records should be completed before this section of the budget is prepared. Enter the figure used to calculate the reimbursement rate on the line provided.

TOTAL TRAVEL COSTS: Enter the amount for each column on this line.
Be sure the totals balance for all columns.

INSTRUCTIONS FOR SECTION G - PAGE 5; INSURANCE COSTS

INSURANCE: Some agencies allocate all insurance costs to the Management and Indirect column of their budgets, and then allocate them along with all the other shared type of costs. If one program operated by the agency has disproportionate insurance costs (either higher or lower) than the other agency programs, then a more appropriate method would be to show that program's insurance costs in the column for that program.

INSTRUCTIONS FOR SECTION H - PAGES 6 & 7; EQUIPMENT COSTS

EQUIPMENT COSTS: There are some directions listed on the budget pages for completing the four areas of this section. Any individual equipment item costing less than \$5,000 should be included as equipment cost. The exception to the "individual equipment cost" is for computer components which are purchased as a group, i.e. hard drive, monitor, keyboard, printer, etc. While these components may individually cost less than \$5,000, the entire group is to be depreciated if the purchase price is \$5,000 or greater. For equipment items used for more than one program, show the percentage of time the contract program expects to use them and compute the amount based on that percentage. The large equipment items used by the Management and Indirect activities of the agency should also be listed, with the percentage used by both programs, i.e. the Contract Program and MGT/Indirect, computed.

INSTRUCTIONS FOR SECTION I - PAGE 8; MISCELLANEOUS COSTS

MISCELLANEOUS COSTS: Enter any expense items, and the amount which Provider expects to spend for them, that Provider has not entered elsewhere in this document. Examples of miscellaneous costs are

printing, advertising, and postage.

TOTAL MISCELLANEOUS COSTS: Enter the total of all miscellaneous costs in this section in the appropriate columns.

PROFIT MARGIN: For profit entities only - Enter the amount of profit being charged to the contract program.

TOTAL OF ALL EXPENSES: The total of all expenses should be calculated from the sub-totals of sections D through I.

EXPLANATION: Be sure to pay special attention to this section. It is important to note the rationale or basis for the figures used in the proration of MGT/INDIRECT costs. Specific instructions have been included on the budget to be followed.

<p style="text-align: center;">INSTRUCTIONS FOR SECTION G - PAGE 9; INSTRUCTIONS FOR REVENUES BY PROGRAM SERVICES SECTION</p>
--

Revenues of the Agency should also be completed for the same time period for which the budget expenses are detailed. Please use the "Explanation" section and attach extra pages if needed. Be specific and list each funding separately. Government contracts, including the revenues expected to be received from the contract with HCJFS, should be listed separately (i.e., Hamilton County \$nnn,nnn.nn, Butler County \$nnn,nnn.nn). Donations from individual benefactors need not be listed separately unless they represent a significant proportion or amount of donated funds. Fees from clients do not mean fees paid by third parties (insurance, Medicaid, contracts), and should only represent monies gained directly from clients.

FINAL REVIEW

1. Before submitting the budget, make a final check that each column of each page is correctly added, and that all figures are legible.
2. Review the Revenue page and make sure all revenue sources are listed. The total revenues shown MUST equal or exceed the total expenses shown in pages 1-8.
3. Please review Equipment section to make sure that all equipment purchases have been listed in proper section.

A rationale or basis for the proration of MGT/INDIRECT Cost must be included which details how the amount charged to this program was determined. Some agencies allocate these types of costs on staff salaries, total personnel costs, total direct program costs, and/or time studies. HCJFS staff are available to discuss the most appropriate basis for the program for which the budget is being prepared, if agency staff are unfamiliar with this process.
