Addendum II
RFP MB0310R
Work Participation Monitoring For
Ohio Works First (OWF) Cash Recipients

To All Potential Bidders:

Questions & Answers:

Question #1:

Is there a possibility for incentives if we exceed a 50% work participation rate?

Response #1:

No. We will attach all possible dollars to this budget with none in reserve for incentives.

Question #2:

If there are changes that will have significant impact on the project will those changes be compensated?

Response #2:

Any change in scope or budget would be negotiated between HCJFS and a selected vendor. Expansions in scope would typically result in an increased budget or an agreed upon change in service priorities. Similarly, a change in budget would result in agreed upon scope changes or performance expectations.
