RE; ADDENDUM 7 - RFP MB1009R 2009 WIA SUMMER YOUTH WORK READINESS PROGRAM
TO POTENTIAL PROVIDERS:

QUESTION & ANSWER

Q1. On page 16 of the RFP, it states that the service to youth begins no later than June 1. However, schools don't end until June 6 or later. Would procurement, intake, and assessments count as service before June 1? If so, do those activities count as work experience?

A1. Procurement, intake, and assessments can begin as soon as the first effective date of your contract. They do not count as work experience.

See excerpt from addendum three copied below.

Q10. Section 2.3 A, says that services to youth will begin no later than June 1, 2009? Is this start date for programming accurate? Or does this mean that the program can start recruitment on June 1, 2009 and begin delivering services after that date? Please clarify.

A10. Prospective Providers should propose direct service delivery to start any date on 6/1/09 or later and that they can start incurring administrative ramp up costs up to fifteen (15)

Adult Services/421-LIFE • Cash Assistance • Child Care Services
Child Support Services • Children's Services/241-KIDS • Employment and Training
Food Stamps • Medicaid • Mt. Airy Shelter

calendar days prior to whatever they establish as their program start date.

Q2. Can the youth be employees of the Provider?

A2. Yes

Q3. Please clarify whether Section 36A of the sample contract (Attachment D) applies to youth who become temporary summer employees, as these employees may be assigned to work with other youth employees.

A3. Yes, it does apply to any employee of the contracted vendor “assigned to work with, volunteer with or transport Consumers”.
