Questions asked during RFP Conference

- Q1.** With agency focus on decreasing placements and increasing in home services, is there an opportunity to consider including medical evaluations for children with open cases receiving in home services?
- A.** There's an ability to do follow up vaccines with clients in scope and RFP. We can look into no show data before we can move forward with any changes.
- Q2.** Can we get something in writing stating that we cannot request more than 15% in indirect costs?
- A.** Our goal is to keep budget less than 15% in indirect costs.
