Questions asked during RFP Conference

Q1. With agency focus on decreasing placements and increasing in home services, is there an opportunity to consider including medical evaluations for children with open cases receiving in home services?

A. There's an ability to do follow up vaccines with clients in scope and RFP. We can look into no show data before we can move forward with any changes.

**** In reviewing the RFP, it has been decided that the above answer is incorrect. ****

Current RFP – Section 1.2.2 Program Components, page 7:

Staff completing placement medical screenings must meet the requirements of OAC 5101:2-42-66.1(C) and shall be conducted by either a licensed physician, advanced practice nurse, registered nurse, licensed practical nurse, or physician's assistant.

HCJFS has NOW updated this statement to the following:

Staff completing placement medical screenings must meet the requirements of OAC 5101:2-42-66.1(C) (D)1 and (D)2 and shall be conducted by either a licensed physician, advanced practice nurse, registered nurse, licensed practical nurse, or physician's assistant. [Rule 5101:2-42-66.1 - Ohio Administrative Code | Ohio Laws](#). HCJFS will allow for (D)2 only if the youth does not have a current primary care physician (PCP).
