

CSEA Temporary Agreement for License Reinstatement

Ohio Revised Code 3123.45(D)

The Hamilton County Child Support Enforcement Agency (CSEA) suspended my license because of non-payment. I have discussed my child support case(s) with the CSEA and agree:

|-------------|---|
| Initial box | <ul style="list-style-type: none"> ▪ I am unable to pay the full balance owed of \$ _____ and; ▪ I am not working therefore CSEA cannot issue an income withholding for future payments and; ▪ I do not have the total monthly order of \$ _____ in my bank account therefore CSEA cannot issue an income withholding for future payments. |
|-------------|---|

I agree to the following reinstatement schedule. After I make the first payment, return this document, and contact CSEA, they will reinstate my license.

1. I will pay \$ _____ by _____
2. I will pay \$ _____ by _____
3. I will pay \$ _____ by _____
4. **After the agreement has ended I must have employment and report it to the CSEA to pay by an income withholding. If I do not have an employer who can deduct my child support order, I will pay the total monthly amount on my own. The payments must post by the last day of the month.**

If this box is checked I have multiple Hamilton County CSEA cases. I will tell the Payment Processing Center how to post the payments (a copy of this letter can be sent with the payment).

SETS Case and Order Number	Court Ordered Monthly Obligation	August Amount	September Amount (if different than previous month)	October Amount (if different than previous month)

- ***I understand my license may be suspended without notice if I do not comply with the agreement.***
- ***I understand I can pay the arrears in full and/or provide the CSEA with sufficient information for the issuance of an income withholding to a verified employer, provider of income, or financial institution and the CSEA shall reinstate my license.***

Additionally, this agreement does not change my order nor does it stop other enforcement tools available to the CSEA such as contempt proceedings.
