

## Authorization to Release Information

This form gives Hamilton County Child Support Enforcement Agency (CSEA) legal authorization to release information you specify about your child support case to a specific party, authorized representative or organization for a specific amount of time. Below are several important issues regarding the release of information.

- CSEA can release information only about the individual whose signature appears below. If you want CSEA to release information about the other parent in your child support case, the other parent must complete and sign an Authorization to Release Information.
- Children's information is defined by the Ohio Department of Job and Family Services as belonging to the custodial parent's record only. So information about the child or children in a child support case can be released only with the custodial parent's signature.
- If the information being requested has been filed with a court, it is public record and may be obtained from the appropriate Clerk of Court without a release form.
