REQUEST FOR PROPOSAL (RFP) FOR GROUP HOME SERVICES

MISSION STATEMENT

We, the staff of the Hamilton County Department of Job & Family Services, provide services for our community today to enhance the quality of living for a better tomorrow.

1.0 REQUIREMENTS & SPECIFICATIONS

1.1 Introduction & Purpose of the Request for Proposal

Hamilton County Department of Job & Family Services (HCJFS) is seeking proposals for the purchase of group home services for youth in custody for whom it has been determined a group home setting is appropriate. The Board of County Commissioners, Hamilton County, Ohio (BOCC) reserves the right to award Contracts for these services to several different Providers and to award Contracts for all or any of portion of the services requested herein. The Contract(s) shall be for an initial term of one (1) year (“Initial Term”) with three (3) one (1) year renewal options (“Optional Renewal Terms”) at the sole discretion of HCJFS.

If at any time during the Initial Term or any Optional Renewal Term, HCJFS determines that service capacity needs to be expanded HCJFS may re-release this RFP. Any contracts awarded from a re-issued RFP(s) will expire at the same time as the contracts awarded under the initial RFP. All proposals submitted as a part of a re-released RFP will be subject to and evaluated based upon the same criteria set forth in the initial RFP (plus any addenda issued as a part of the initial RFP).

Provider agrees that if selected by HCJFS under this RFP or any re-released RFP and if requested by HCJFS, that it will enter into an extension of the Contract for up to 90 days following the expiration of the term then in effect under the current terms, conditions and prices applicable at that point in time. This will allow HCJFS to make a seamless transition to any new Provider and mitigate negative impact for customers.

1.2 Scope of Service

HCJFS is seeking group home service Providers who reinforce the value of serving youth within their community in a well-coordinated system of care which is: seamless for the youth/families; culturally competent; standardized in terms of multi-disciplinary assessment; outcome driven; cost effective; and collaborative in building upon partnerships with Providers and funders in sustaining quality services.

HCJFS is looking for organizations to provide community-based group home services for the child welfare population of Hamilton County who meet level of care criteria for a continuum of this placement setting. In addition, HCJFS is seeking service Providers who are able to: increase stability for youth in placement; maintain sibling placements; reduce the length of time a youth spends in care; achieve school stability and success; engage families; and enhance reunification and permanency options and outcomes for youth using a trauma responsive approach. Service components within the group home environment should include: permanency, every youth should have a safe and emotionally secure parenting relationship with an adult that can provide a life-long legal family; preparedness, each youth should have the skills and support to meet their physical, emotional, educational, and economic needs and community; and each youth should have a safe place to live, a sense of belonging and a chance to positively contribute to their community (Palmer House for Boys, 2015). Respite services targeted to kinship, adoption and birth families are available to be provided to maintain permanency efforts for youth and families. Providers must demonstrate their ability to use community resources and supports as a part of treatment planning and in support of continuity of care with existing services, and their capacity to communicate and work collaboratively with professionals, courts, youth and the youth's family.

Providers who are able to offer a range of evidence-based services to specialized populations including, but not limited to: youth with co-existing mental illness; sexual offending disorders; chronic medical conditions; and conduct/delinquent behavior disorders are desired. Youth will be discharged with improved ability to function in school, community and family living arrangements within birth, kin and adoptive environments.

Group home services are targeted to latency age youth and adolescents who have behavioral/emotional and learning problems, which would benefit from treatment in a family-like group setting. These youth cannot function in a family environment, but do not require the intensive treatment provided by a residential treatment facility. Group home providers should support youth transitioning from higher levels of care to group home settings through planning, communication with previous providers, participation in treatment teams, and ensuring implementation of treatment recommendations at time of discharge.

It is expected group homes shall have the ability to provide service at the level of care purchased without purchasing any additional supportive services, unless requested and approved by HCJFS prior to service delivery. Group homes should utilize community partnerships and resources to support program delivery.

Organization(s) with strong behavioral management and evidence-based practices shall provide temporary, transitional out-of-home placement services predominantly for youth to step down into lower levels of care, transition into Independent Living arrangements, or to stabilize and avoid a more restrictive setting. In a small percentage of cases, youth will be discharged from group homes to independent living settings or adult mental health or DD systems of care.

HCJFS prefers that a group home size range from five (5) to twelve (12) youth and must include a ratio of not more than five (5) youth to one (1) staff during peak hours. Peak hours shall be defined as 3:00 p.m. to 11:00 p.m. on school days and 8:00 a.m. to 11:00 p.m. on non-school days. All youth who share a bedroom in placement must be within 2 years of age of each other. Exceptions must be approved by HCJFS. For youth with developmental disabilities, their developmental age should be considered in decisions such as program placement and room assignment.

Youth ages 13 to 21 must be provided adequate life skills training and preparation for emancipation. Providers will have the capacity to provide, onsite and community based, organized, hands on, life skills training. This training can be individualized or group based but must prepare the youth to meet skill deficits identified on the IL assessment administered to the youth by the Provider.

HCJFS' goal is to work with Providers who are able to meet the entire continuum of services.

1.2.1 Population

The following data is provided for planning purposes only. HCJFS does not guarantee that the current service level will increase, decrease or remain the same. HCJFS placed an average of 1554 youth in custody in 2015. Placements also included Kinship placements. In the same year, an average of 60 youth were placed in a group home at any time. Of these youth, approximately 58% were male and 42% were female. Youth ranged in age from 13 to 19 years.

These youth have a history of abuse, neglect, dependency and juvenile justice involvement. Many, if not all, have been exposed to multiple traumatic events in their lives.

These youth require out-of-home-care placements and will have a range of custody statuses from parental custody, Emergency Orders (EO), Temporary Custody (TC), Planned Permanent Living Arrangements (PPLA), to Permanent Commitments (PC). The primary outcomes for these youth are safety, permanency, and well-being. All service providers will incorporate these outcomes into their treatment plans and program curriculums.

Many of the youth suffer from emotional, psychological, behavioral, trauma reactive, and learning problems. Some national estimates indicate approximately 90% of youth in placement have an identifiable behavioral health issue.

These youth are also at greater risk of being placed out-of-county because local services have not been able to effectively engage families, locate alternate permanent placement options, address specific treatment needs or keep the youth safe in a lower level of care (kinship home, family or adoption).

These youth are at greater risk of being involved in the child welfare system for a longer period of time and therefore are at greater risk for unstable placements and poor overall educational, social, health and poverty outcomes long-term.

1.2.2 Service Components

Services will be individualized and capitalize on the strengths of the youth and the family. The following service components shall be available to youth residing in group care **(this section is for information purposes only; you do not need to address this section in your proposal)**:

Emergency referrals require a response within one hour of referral with potential placement options. *Same day referrals* require a response within one day to indicate the agency's willingness and ability to seek out placement. After-hours placement requests require a response within one hour with potential placement options or notification of no availability.
3. Housing and Supervision - Shared housing within a community setting in accordance with OAC 5101:2-9 et seq. and local requirements:

This includes such items as body soap, shampoo, clean towels, hair care products, shaving items, lotions, deodorant, etc. Gender identification need is met by addressing or referencing a youth by the gender they most identify with without regard to staff’s personal beliefs of which gender youth should identify with.

6. Independent daily living skills - All youth will have appropriate support and guidance to be productive successful adults. They will be afforded the opportunity to achieve permanency, preparedness, and community. This may include finding life-long family connections, skills to enable a youth to support themselves physically, financially, emotionally, and educationally and community connectedness, giving youth a sense of belonging and a chance to positively contribute to their community. Group home staff will incorporate and include independent living skills training into a youth's treatment plan and daily living. For youth 14 years and older, utilize the independent living skills assessment and planning in accordance with OAC 5101:2-42-19. All Qualified proposals shall be reviewed, evaluated, and rated by the Review Committee. Review Committee shall be comprised of HCJFS staff and other individuals designated by HCJFS. Review Committee shall evaluate each Provider's proposal using criteria developed by HCJFS. Ratings will be compiled using a Review Committee Rating Sheet. Responses to each question will be evaluated and ranked using the following scale:

Does Not Meet Requirement	A particular RFP requirement was not addressed in the Provider's proposal.
Partially Meets Requirement	Provider's proposal demonstrates some attempt at meeting a particular RFP requirement, but that attempt falls below an acceptable level.
Meets Requirement	Provider's proposal fulfills a particular RFP requirement in all material respects, potentially with only minor, non-substantial deviation.
Exceeds Requirement	Provider's proposal fulfills a particular RFP requirement in all material respects, and offers some additional level of quality in excess of HCJFS expectations.

Stage 3 Other Materials

Review Committee members will determine what other information is required to complete the review process. All information obtained during Stage 3 will be evaluated using the scale set forth in Stage 2 Review and incorporated into the overall rating for the proposal. Review Committee may request information from sources other than the written proposal to evaluate Provider's programs or clarify Provider's proposal. Other sources of information may include but are not limited to the following:

- A. Written responses from Provider to clarify questions posed by Review Committee. Such information requests by Review Committee and Provider's responses must always be in writing;
- B. Oral presentations. If HCJFS determines oral presentations are necessary, the presentations will be focused to ensure all of HCJFS' interests or concerns are adequately addressed. The primary presentation must include Provider's key program personnel. HCJFS reserves the right to video tape the presentations.
- C. Site visits will be conducted for all new Providers and any existing Providers as HCJFS deems necessary. Site visits will be held at the location where the services are to be provided.

Stage 4 Evaluation Scoring

Final scoring for each proposal will be calculated. For this RFP, the evaluation percentages assigned to each section are:

- A. Program Evaluation including responses to Section 2.2.1 Questions, Section 2.4 Customer References and Section 2.5 Personnel Qualifications are worth 60% of the total evaluation score.
- B. Fiscal Evaluation, Section 2.3 Questions, Cost Analysis and Project Budget are worth 10% of the total evaluation score.
- C. System and Fiscal Administration Evaluation including responses to Section 2.8.B Questions are worth 20% of the total evaluation score.
- D. Section 4.6, Stage 3, Other Materials considered are worth 10% of the total evaluation score.

If HCJFS determines that it is not necessary to conduct a Stage 3 review, the evaluation percentages assigned to each section are:

- A. Program Evaluation including responses to Section 2.2.1 Questions, Section 2.4 Customer References and Section 2.5 Personnel Qualifications are worth 70% of the total evaluation score.
- B. Fiscal Evaluation, Section 2.3 Questions, Cost Analysis and Project Budget are worth 10% of the total evaluation score.
- C. System and Fiscal Administration Evaluation including responses to Section 2.8.B Questions are worth 20% of the total evaluation score.

4.7 Proposal Selection

Proposal selection does not guarantee a Contract for services will be awarded. The selection process includes:

- A. All proposals will be evaluated in accordance with Section 4.6 Evaluation & Award of Contract. The Review Committee's evaluations will be scored and sent through administrative review for final approval.
- B. Based upon the results of the evaluation, HCJFS will select Provider(s) for the services who it determines to be the responsible agency/company(s) whose proposal(s) is (are) most advantageous to the program, with price and other factors considered.
- C. HCJFS will work with selected Provider to finalize details of the Contract using Attachment B, Contract Sample, to be executed between the BOCC on behalf of HCJFS and Provider.
- D. If HCJFS and selected Provider are able to successfully agree with the Contract terms, the BOCC has final authority to approve and award Contracts. The Contract is not final until the BOCC has approved the document through public review and resolution through quorum vote.
- E. If HCJFS and successful Provider are unable to come to terms regarding the Contract, in a timely manner as determined by HCJFS, HCJFS will terminate the Contract discussions with Provider. In such event, HCJFS reserves the right to select another Provider from the RFP process, cancel the RFP or reissue the RFP as deemed necessary.
- F. If a proposal is selected with a Provider who has not yet received its licensure from the appropriate Board, the proposal will be disqualified unless the Provider receives its licensure within 60 days of acceptance of the proposal.

4.8 Post-Proposal Meeting

The post-proposal meeting process may be utilized only by Providers who submitted Qualified Proposals, who wish to obtain clarifying information regarding their non-selection.

If a Provider wishes to discuss the selection process, the request for an informal meeting and the explanation for it must be submitted in writing and received by HCJFS within fourteen (14) business days after the date of notification of the decision.

All requests must be signed by an individual authorized to represent the Provider and be addressed to the RFP Contact Person at the address listed in Section 3.2. Certified or registered mail must be used unless the request is delivered in person, in which case the Provider should obtain a delivery receipt. A meeting will be scheduled within 21 calendar days of receipt of the request and will be for the purpose of discussing a Provider's non-selection.

4.9 Public Records

All proposals submitted shall become the property of HCJFS to use or, at its option, return such proposals. All proposals and associated documents will be considered to be public information and will be open for inspection to interested parties after the award of a contract unless identified as a trade secret or otherwise exempted from disclosure under the Ohio Public Records Act.

Trade secrets or otherwise exempted information must be clearly identified and marked as such in the proposal. Each page containing such material must:

1. Be placed in a sealed envelope;
2. Must have the basis for non-disclosure status stamped or written in the upper right hand corner of the page and the envelope; and
3. Be placed in the required order of the response format.

For example if Pages 1-5 are not trade secrets or otherwise exempted from disclosure and Page 6 contains a trade secret then

- the word "Trade Secret" would be stamped in the corner of Page 6;
- Page 6 would be placed in an envelope; and
- The envelope is stamped as containing a "Trade Secret" is placed after page 5.

**DO NOT MARK EVERY PAGE OF YOUR PROPOSAL AS TRADE SECRET
OR OTHERWISE EXEMPTED FROM DISCLOSURE OR YOUR PROPOSAL
MAY BE REJECTED**

If HCJFS is requested by a third party to disclose those documents which are identified and marked as Trade Secret or Otherwise Exempted from disclosure, HCJFS will notify Provider of that fact. Provider shall promptly notify HCJFS, in writing, that either a) HCJFS is permitted to release these documents, or b) Provider intends to take immediate legal action to prevent its release to a third party. A failure of Provider to respond within five (5) business days shall be deemed permission for HCJFS to release such documents.

It is Provider's sole responsibility to legally defend the actions of HCJFS for withholding Provider's documents as trade secrets or otherwise exempted information if the issue is challenged.

4.10 Provider Certification Process

HCJFS reserves the right to complete the Provider Certification process for selected Providers. The purpose of the process is to provide some assurance to HCJFS that Provider has the administrative capability to effectively and efficiently manage the Contract.

The process covers three (3) key areas: Section A - basic identifying information; Section B - financial and administrative information; and Section C - quality assurance information.

The process may be abbreviated for Providers already certified through another process, such as Medicaid, JCAHO, COA, CARF, etc.

4.11 Public Record Requests Regarding this RFP

Per ORC 307.862 (C), in order to ensure fair and impartial evaluation, proposals and any documents or other records related to a subsequent negotiation for a final Contract that would otherwise be available for public inspection and copying under section 149.43 of the Revised Code, shall not be available until after the award of the Contract(s). Award is defined as when the Contract is fully executed by all parties.

PAGE 1 - SUMMARY PAGE

Page 1 is the summary page for all information entered on pages 2 through 9. If you are not using the Excel spreadsheet for the budget, the summary page should be completed after all other budget pages (pages 2 through 9) are finalized. The total amounts for each expense type on this page (A through J) should equal the total amounts of each section on pages 2 through 8.

As the amounts are entered on pages 2 through 9, the total amounts on the summary page will be populated, if using the Excel spreadsheet to complete the budget.

Mgmt Indirect Cost

A rationale or basis for the allocation of Mgmt Indirect cost which details how the amount charged to the proposed service was determined must be included. Some agencies allocate these types of costs on staff salaries, total personnel costs, total direct cost of service proposed, and/or time studies. Records substantiating development of the means of these costs must be provided with your budget submittal and also maintained by your agency. Mgmt Indirect costs, allocated to the proposed service(s) should not exceed 15% of the total proposed service(s) cost. After allocating Mgmt Indirect costs between Other Direct Services and the proposed service(s), total program expenses for Mgmt Indirect should equal zero.

The Summary Page, once completed, should give a total budget for the service being proposed as well as a picture of your agency's total budget.

Any individual equipment item costing \$5,000 or more at time of purchase may be included in the budget and must be depreciated. The exception to the "individual equipment item" is for computer components which are purchased as a group, I.e. hard drive, monitor, keyboard, printer, etc. If the total cost for all the components is \$5,000 or greater, the equipment must be depreciated. Any item which was full depreciated on the agency's books prior to the beginning date of the contract may not be used as a basis for determining costs of the program proposed for a contract, even though that item of equipment is used by the program. Any items of equipment used by the Management and Indirect activities of the Agency for which costs are included in this budget must also be itemized on this sheet. If needed, extra copies may be made and numbered 7A, 7B, & 7C.

Provider Certification

Hamilton County Department of Job and Family Services

Provider Certification Process

(Revised 5/10)

I. Overview

The purpose of the **Hamilton County Department of Job and Family Services (HCJFS) Provider Certification Process** is to assess a service provider's administrative capacity to effectively manage an HCJFS contract. The process is designed strictly for internal HCJFS decision making and should not be seen as an official accreditation, licensing or endorsement of a provider program or agency. The process is divided into three (3) sections -**A. Program Identifying Information, B. Administrative Capacity and C. Quality Assurance**. Sections A. and B. may be completed prior to contract signing. Section C. within six (6) months of contract signing. A six (6) month period is given for Section C. to allow time for smaller agencies who may not have all of the quality assurance components in place. As with any process, there are always exceptions so consult with management if certain portions of the document are not applicable to a specific provider.

A. **Program Identifying Information (Section A)** - identifies key information such as:

1. agency name and address;
2. director's name;
3. service being purchased;
4. hours/days of operation, etc.

B. **Administrative Capacity (Section B)** - identifies administrative areas which are key to an effective operation such as:

1. accounting and record keeping systems;
2. copies of important documents such as the table of organization,
Articles of Incorporation, insurance, etc.;
3. review of provider personnel files for proof of drivers' licenses, insurance, professional credentials, etc.;
4. tour of the provider's facility.

None of this information is to be released to anyone other than the provider without HCJFS management approval.

C. **Quality Assurance (Section C)** - identifies processes and procedures for ensuring quality service such as:

1. program staff training plan;
2. staff policy and procedure manual;
3. quality assurance plan/activities.

Refer to detailed instructions for completing the certification document.

ITEM	EXPLANATION
1. Other Provider certifications	Ask Provider if the agency is currently certified by another entity. This could be Medicaid, JACHO, COA, etc. Obtain information regarding the type, time period and particular services covered by the certification and discuss findings with Section management.
2. Reviewed and accepted: <ul style="list-style-type: none"> a. Most recent annual independent audit or comparable financial documents; b. audit management letter, if applicable; c. SAS61 (auditor's communication to the board's audit committee), if applicable; d. most recent 990 and Schedule A ; e. most recent federal income tax return; f. written internal financial controls. 	<p>This information is used to determine the financial status of an agency. Things to look for are:</p> <ol style="list-style-type: none"> 1. Did the audit firm issue an unqualified opinion on the report? If not, a further review of the agency's financial status should be conducted. If the audit report is not for the prior calendar year, ask when the report will be finished and follow-up with provider to obtain a copy. 2. Do the attachments/exhibits indicate problems, recommendations, etc.? 3. Does the audit management letter indicate a problem or areas that need improvement? 4. Does the SAS61 indicate problems, concerns, etc.? 5. The 990 repeats much of the information in the independent audit but also includes the salaries for the top 5 positions earning over \$50,000.00 per year. 6. Were taxes filed timely? If not, why? Were extensions requests done timely? 7. Do the controls indicate a separation of duties? Is there a clear understanding of duties and roles? For assistance in developing internal financial controls, providers can consult the standards issued by the GAO in the booklet titled <i>Government Auditing Standards</i>. The information is also available on the GAO website at: http://www/gao.gov/policy/guidance.htm
3. Indicate Provider's filing status with the IRS: <ul style="list-style-type: none"> a. 501C3 (not-for-profit); b. sole proprietor; c. corporation (for profit); d. government agency; e. other (specify). 	The filing status is important because of filing and tax conditions which are unique to each category.

<p>4. Received current copies of:</p> <ul style="list-style-type: none"> a. Articles of Incorporation, if applicable; b. job descriptions for all staff in program budget; c. insurance with the correct amount, type of coverage and additional insureds listed; d. Worker's Compensation insurance; e. table of organization including advisory boards & committees; f. service/attendance form, sign-in sheet, etc. g. contract service contingency plan, if applicable. 	<p>Copies of all the documents must be received prior to contract signing.</p> <ol style="list-style-type: none"> 1. Job description titles should match to the salaried positions in the budget and to the positions in the T.O. 2. Insurance amounts are the standard amounts listed in the boiler plate contract. Work with management for unusual coverage amounts for unusual services. Indicate the expiration date so HCJFS can do timely follow-up to ensure the insurance coverage remains current. 3. Table of organization should show the relationship of the contracted service to the entire organization. The T.O. may reference programs for positions. 4. The service/attendance form is the sheet used to document units of service. Determine if information maintained is adequate - client names, date, begin/end time, unit(s) of service, name of teacher/case worker, etc. 5. The contract service contingency plan is to detail how service will be provided to HCJFS clients should the provider be unable to comply with the contract terms. What is the provider's back-up plan?
<p>5. Reviewed 3 of the last 12 months board minutes</p>	<p>Review for problems which could reflect on the administrative capacity of the agency, i.e. issues with the contracted programs, staff issues, funding issues, etc.</p>

<p>6. The agency must show how the expenses and revenue for each contracted program will be reported/tracked in a separate account. 2. Determine how financial invoices will be filed. Is this adequate for audit purposes? 3. Identify the accounting system used - cash vs. accrual. This is important in an audit for determining how expenses and revenues are reported. 4. Determine how the agency will meet payroll and other contract related expenses during the start-up period, prior to receiving the first contract reimbursement. 5. Review the process for reporting expenses, service and performance goals. Does provider have the administrative capacity to manage the contract in an accurate and timely fashion? In the program area? In the financial area? 6. Review the process for documenting and maintaining client service records. Is it acceptable for audit purposes? Can invoiced services be easily tracked to a source document? Is the information in the source document legible, complete, etc? 7. Since the initial reimbursement will be approximately 2 months from the end of the first service month, discuss with provider how program expenses will be paid during that time.
<p>7. When applicable, review personnel files for proof of required documentation including, but not limited to:</p> <ul style="list-style-type: none"> a. current professional license/certification; b. driver's license with < 5 points; c. proof of car insurance; d. police/BCII check completed within the last 12 months. 	<p>Based on the work performed by the contract agency's staff, conduct a sampled review of personnel files to ensure required documentation is current and on file. Interior - Public Areas</p> <ul style="list-style-type: none"> a. indicate general impression of appearance cleanliness, neatness, safety, etc. b. is facility handicapped accessible? c. are bathrooms handicapped accessible? d. does facility design ensure client confidentiality? e. is the facility adequate for our program? f. ask provider if a negative building safety report has been issued by the fire department. 	<p>Purchased services are to be provided in an appropriate setting and accessible to all referred clients. This area is subjective and open to interpretation. The question to ask yourself is if you'd feel comfortable referring a client to this location. The fire department only issues a report when there are building safety issues. Ask to see any negative safety report and, if any, ask for proof of compliance - repair invoices, etc. Calls can be made to the fire department if the status is in doubt.</p>
<p>10. Contract Management Plan - review provider's written plan for contract management.</p> <ul style="list-style-type: none"> a. how will provider ensure integrity and accuracy of the financial system for reporting to HCJFS? b. how will provider ensure integrity of record keeping for documenting and reporting units of service and performance objectives to HCJFS? c. how will provider ensure administrative and program staff are fully aware of and comply with contract requirements? d. what is provider's plan for conducting self-reviews to ensure contract compliance? e. what is provider's plan for ensuring receipt of client authorization forms prior to invoicing? f. what is provider's plan to remain in compliance with contract requirements for timely invoicing to HCJFS? g. what is provider's plan for monitoring contract utilization? 	<p>The purpose of the plan is to ensure the provider is fully aware of the contractual obligations and has a pro-active plan for managing the various contract components.
