Although this program is voluntary, Provider will decrease overall incidents of AWOL.</p>	<p>Data Collection- Provider will produce baseline data for the first six months of the initial contract period. Provider will produce data after the initial 6 month period to be used to determine incentive payment. Data will include total number of incidents of AWOL, charges and arrests.</p> <p>Data will be confirmed through MCP or other reporting sources.</p>	<p>Provider will receive \$500 per quarter if incidents of AWOL and arrests decrease by 20% as compared to baseline data.</p>
<p>2. Youth will experience academic /employment success</p>	<p>a. Age appropriate youth will graduate from high school or earn a General Equivalency Diploma (GED);</p> <p>b. Youth will attend and gain credits for post-secondary education/enrolled in vocation or trade;</p> <p>or</p> <p>c. Employed</p>	<p>a. & b. Data Collection- Provider will produce reports in December of the contract period to confirm achievement of performance measure. Data will be compared and confirmed through SACWIS.</p> <p>Child must be enrolled with the provider a minimum of 180 days And; Child must be enrolled in placement with the provider at the end of the school year for item (b) or at any time during the contract year to qualify for the incentive payment related to achievement of a diploma or GED (a).</p>	<p>Provider will receive a \$500 incentive for each child who graduates from high school or earns a GED when verified by case worker and a copy of an official diploma or GED.</p> <p>Provider will receive a \$250 incentive for each child who is promoted to the next grade level.</p> <p>Provider will receive a \$250 incentive for each youth who attends post-secondary education.</p>

2019 Provider Performance Outcome Measures- Independent Living- SORC

<p>3. Youth will increase pro-social activity.</p>	<p>a. Youth will be involved in pro-social activities including extra-curricular activities, athletics, faith-based activities, dances, etc. , consistently (6 months out of the year) during the reporting period. Pro-social activities will be documented in SORC Monthly progress reports for each child.</p>	<p>a. Data Collection- Provider will document youth’s involvement in pro-social activities in Monthly SORC progress report. Provider will report data on how many children were involved consistently in pro-social activities at the end of the contract year.</p>	<p>Provider will receive \$100 per child involved consistently in pro-social activities during the contract year.</p>
<p>4. Youth will exit from care with permanent housing, financial resources and identified adult connections and services.</p>	<p>a. Youth will successfully transition from an independent living setting into independent, sustainable housing. b. Youth will have a sustainable source of income that will meet their daily living needs. c. Youth will have an identified adult who commits to long term support. d. Youth must be maintained in independent housing for at least 90 days during the review period without experiencing homelessness and/or eviction.</p> <p>Providers will support this process through developing successful discharge plans for youth and providing aftercare services.</p>	<p>a. Data Collection- Provider will produce data to support attainment of this outcome at the end of the contract period. Documentation will include number of youth transitioned from IL into independent housing and include documentation of financial viability and adult connections.</p>	<p>Provider will receive \$250 for successfully transitioning a child into independent housing. Eligible youth must have been maintained in independent housing for 90 days without experiencing homelessness and/or eviction.</p>

2019 Provider Performance Outcome Measures- Independent Living- SORC

<p>5. Youth will acquire life skills.</p>	<p>Provider will teach children in their care life skills associated with personal care, problem solving, household management, budgeting, cooking, shopping, education, employment, safety and personal relationships and health. This is hands on life skills training.</p>	<p>Provider will produce documentation of hands on life skills training. Provider will produce data that shows an increase in knowledge and abilities in life skills.</p>	<p>Provider will receive \$100 per child for (3) hands on life skills trainings they have completed and have demonstrated an increased knowledge and abilities associated with the training(s). This is to be documented by pre and post testing, or other measurable methodology.</p>
--	---	---	--

Provider must be in good standing as determined by PCSA who holds contract to be eligible for Incentive Payment.

Incentive Payments are based on populations specific to each custodial PCSA and are subject to availability of funds.

PCSA makes final interpretation and determination regarding achievement of outcome measures.
