Questions asked during RFP Conference:

Q1. If you already own a group home, do you use the 4-E budget that Ryan Meanor has?

A. No. You must use the HCJFS budget included as part of this RFP.

Q2. I am due to receive my license within the next 2-3 weeks. How will that work for my agency?

A. Providers must have a license before we can enter into a contract. Licensure must be achieved within 6 months after the RFP due date.

- Q3.** What if we are licensed after the August meeting?
- A.** Please see response to Question 3.
- Q4.** Can you clarify the length of this contract, considering the implementation of FFPA? Will Group Home contracts end on October 1, 2021?
- A.** Contract will be written for the term of one (1) year with three (3) optional renewal years. The initial Contract will begin on 1/1/2021 and end 12/31/2021. Please note there will be limited use of group home services beyond Ohio's implementation of FFPA. Any selected Providers who plan to transition to a qualified residential treatment program (QRTP) will need to submit another proposal when the residential treatment/qualified residential treatment program RFP is released.
- Q5.** Can the documents she is going over be e-mailed?
- A.** The RFP can be found in <https://www.hcifs.org/about/request-for-proposals/>
- Q6.** Only how organizations will be able to house Hamilton County children if we get approved when we submit our contract?
- A.** Your question is unclear. Please submit clarification prior to the noon deadline on 7/31/2020.
