**HCJFS REQUEST FOR PROPOSAL
SUBSIDIZED EMPLOYMENT PROGRAM RFPMB1309R**

ADDENDUM 2

To all Potential Providers:

Questions & Answers

- Q1.** Page 11 (Record Keeping) – Will the forms required for record keeping be supplied, or will the vendor create them?
- A1.** **We are not sure at this time. If the State requires specific forms, we will need the vendor to use those. If the state only requires specific data, we will work with vendor(s) to come up with a form that is least cumbersome.**
- Q2.** Will the selected vendor have access to the ODJFS system for verification of eligibility?
- A2.** **Vendors will not necessarily have that direct access. Vendors may need to anticipate requiring prospective participants to bring screen prints from their case worker verifying eligibility status.**
- Q3.** What is the projected or potential population of consumers to be serviced?
- A3.** **That depends on the dollars provided in the contract(s) that result from this RFP and the vendor(s) anticipated cost per customer served. Theoretically, it could include all 5,000+ current work required participants as well as any number of eligible, but non-recipient families.**
